

## COMPETITION NEWSLETTER WINTER 2011

Welcome to the VICTEN competition newsletter. Competition forms an essential part of a full tennis education—it is competition that gives players the motivation to keep improving and learning. At VICTEN we aim to have our young players asking 'When can I play again?' by offering regular competition as well as great events and tournaments. Through our tennis Hot Shots program kids of all ages & abilities can experience competition and grow their love for the game.

Led by team captains James G and Caroline K the victory means VICTEN holds all three of the Challenge Cups we compete for during the year. Members of the team are pictured above.
