JUNIOR COMPETITION PROGRAM

The Victorian Tennis Academy holds weekly competition, tournaments at the end of every school term and holiday competition. All competition is held at local venues making it extra convenient for families. Players do not have to commit to playing every week of the season and can play when they are available.

HOTSHOTS "FUTURE STARS" COMPETITION

To compliment training the Victorian Tennis Academy offers an introduction to competition on Saturdays and Sundays 10am – 12noon. The purpose of Auserve Competition is to teach young players match play in a fun, friendly, learning environment.

Our "Future Stars" competition is a great way for young tennis players to learn how to play the game, combining fun tennis games with supervised doubles. The competition emphasizes maximising the enjoyment and participation for all competitors in a low pressure environment. All players who can serve and rally are encouraged to participate – high standards of play are not demanded as everybody is playing to improve!

Saturday	-	Lauriston Girls School	10am – 12noon
Sunday	-	Malvern Tennis Centre	10am – 12noon

Weekly prizes are awarded and trophies presented to winners each season. The cost is \$10 / week.

HOTSHOTS "STARS" COMPETITION

Players graduate to the "Stars" Competition, an exciting singles and doubles format with a different theme each season. Players at this level should be confident with the rules and playing the game.

"Stars" play from 12:30pm – 2:30pm at Malvern Tennis Centre on Saturdays (Lauriston Girls will be used as a venue in Summer Season). Major prizes are presented to the best performed players each season and the cost is \$15 each week

Coaches will supervise match play and help with tactics as well as rules and etiquette. Players at this level should be entering VICTEN tournaments and other mid level tournaments like Levellers and round robin during the holidays to compliment their regular competition.

HOTSHOTS "SUPER STARS" COMPETITION

"Superstars" are our players preparing to play National Tournaments and play with their school squads. Each season will have a different theme similar to "Stars" with Singles, Doubles and Mixed match play. Coaches will help players with point structure and game plan – and competition may be held on different surfaces to aid preparation for a certain event.

"Super Stars" competition is held from 2:30 – 4:30pm every Saturday and is based at Malvern Tennis Centre. The cost is \$15 / week.

Please call the head office on 9509 0030 or Tina on 0439 031 046 for further information.
