

“HOTSHOTS” Squad

“Hotshots” Squad tennis lessons are designed for students aged 8-10. Students graduate from using TIP 2 (Orange balls) and a modified court to playing on the full tennis court and using TIP 3 (Green balls). The use of modified equipment gives young players the best chance of enjoying tennis and experience success.

The program aims to teach students rallying, serving and match play skills to prepare them for playing competition tennis. Lessons can be tailored to suit players with little playing experience - to those playing competition with an emphasis on developing a love for the game, co-ordination and team activities.
