

Crust US Open Championships

The VTA hosted its first ever Crust US Open Championships which was played under lights over two Friday nights. The doubles started us off with some incredible tennis from the very first serve. There were some tight grudge matches including two nail biting tiebreakers which went to Sam D / James G over Michael C / Filip D in the Boys Open and Seb B / Harry W against Harry R / Jack M in the Star Doubles. Cookie showed us all what the term "touch" meant with some crisp yet delicately silky smooth volleys from the net.

Crust Pizza stole the show at 7pm on both nights with a large assortment of pizzas ranging from Margarita's to Mediterranean Lamb

pizza's. The Peri-Peri chicken pizza is currently one set to love up over Sam B with the Peri-Peri sauce being a little too hot to handle! The Girls Open Doubles came down to the last match with Sarah L & Caroline K winning in tiebreaker over Georgia W & Olivia F.

The singles showed some dominating performances. Charlie M, Henry G & Sarah L went undefeated in their events. The Top 4 seeds in the Boys Star Singles played off in the Semi's resulting in Toby taking out the title. The much anticipated Boys Open Singles will be decided this weekend.
